It was a cold winter season this year that included a good bit of rain in late January and early February. However, full days of rain failed to deter many of our guests as they took advantage of a soothing hot soak in one of the Lido's hot mineral water pools. Resident Manager, Martin Lawler, just couldn't resist the photo op and gave the couple his umbrella as they snuggled together in the pool. As a result of all the rains, we

expect our cactus to be blossoming early this year. The ocotillo are already covered with green leaves and their orange blossoms should appear very soon.

James and Marvella

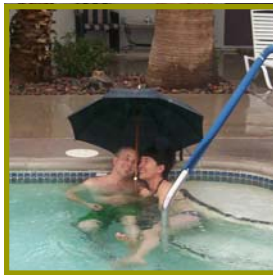

Koelling spent four weeks at The Lido in December, spanning the Christmas and New Year's holidays, and are now back home in Oregon.

We have also had the pleasure of having a few long-term winter guests this year, including Dorothy and George Truss and

Herta Luther tends to the flowers outside her room on a beautiful day at The Lido.

Herta and Reiney Luther, both couples from New Jersey. Quite a few members of the extended Luther family took the opportunity to escape the cold weather and visit Mom and Dad at The Lido on several different trips. All were appreciative of the beautiful weather we take for granted. What a wonderful close-knit family they are.

Bella LeNestour and John Allan enjoy a warm soak in the Lido swimming pool on a rainy afternoon.

Easter Weekend is just a few weeks away

## 2010 DHS SPA TOUR

On the evening of Feb 18th, fourteen Desert Hot Springs hoteliers opened their doors to ticket holders of the 2010 Spa Tour. Attendees boarded buses provided for the event at Cabot's Museum at 5pm and spent the rest of the evening stopping for short visits at each hotel.

Lido Palms hosted over

200 Spa Tour visitors that evening as they toured The Spa and the guest rooms opened for display. Many guests stopped to view the video on Ai Chi, a form of meditative movements in water which is now being offered at The Lido, and discussed the practice with instructor, Ann Moureau.

Tourers ended their tour of The Lido with a visit to the chocolate fountain and a sip of champagne. A party atmosphere ensued thanks in large part to the hospitality of our volunteer staff for the evening. Needless to say, the evening was a huge success and we look forward to next year's event.
